ARMAGEDDON

An article written by Imam Kabah Raheem, Chattanooga Islamic Center

The Final war at the end of time, the war to end all wars is the war of Armageddon. This war, we were told by our late great teacher, will be the last great battle and it would be tremendous. This war will be the forces of good against the forces of evil.

The war of Armageddon will be fought in the air according to the prophetic scriptures. The real meaning of being fought in the air is that it will be an ideological war. the schemes of Satan. Satan is very wise and cunning. His efforts are designed to catch you off guard.

Muslims around the world are being used in this scheme of Satan as cannon fodder for mass Media, the new slave master. The slave master knows of your love for the prophet and your loyalty to him, yet he attacks just to get you to react and not respond. When you react to an ignorant action we do it most of the time out of negative emotions. When we respond to an activity we do it thought intelligence and insight.

The similitude of the Muslim reaction is that of a prison guard calling a grown man "a Boy or any other derogatory name, Just to anger him and get him to strike out at the officer. The mass media does the same thing and then says to the world "I told you they were ignorant, backwards, and not ready for the modern world." Do not be deceived by the schemes of Satan. He is always on the job.
